Stand Down

MiC LOWRY

If there was a chance I could be the one you need
The one that you love, and I'll be there in a heartbeat
(But you gotta let your guard down baby)
So I can be the love of your life

But it seems you believe in all those petty lies
Don't mean I won't try to change your mind
(Still won't listen)
Please stand down

Stand down, baby, lower your defenses
It's no fun taking grenades in the trenches
(Pretty please, pretty please, go easy on me)
Me boys wish me luck, so I'm coming over
Got me rabbit's foot and me four-leaf clover
(Pretty please, pretty please, go easy on me)

Baby, I've been a class clown tryna get your attention
Got no smile, just a faculty detention
Number one player, but you got me on the bench and
Top of the school but you won't give your boy a mention

You tried to hide your feelings and your pride
I'll change your world for you, girl won't you let my love insi
de

I know you can see me looking
Your friends laugh, but I don't care
I know I can love you forever, forever, forever, forever
I know you can see me looking
Your friends laugh, but I don't care
I know I can love you forever, forever, forever, forever

(She make me wanna say)
Go easy on me, go easy on me, go easy on me, oh
Go easy on me, go easy on me, go easy on me
