MiC LOWRY

All you gotta do is holla me if you wanna come around
And when I see you blowing up my phone girl I know that it's going down
Hold up
Bring the rizzler girl we can roll up
Got that loud pack we can smoke up
Girl can you roll up?
She said "what?"
Girl can you roll up?

Baby we'll do whatever you like
I'm gonna treat you so good tonight
Sipping the champagne and goose on ice
You know I do it right

Girl I love the way you wine up on me
I can see it in your eyes
Don't lie I know you want me

West side west side
Say she wanna come my way
You know where to find me
West side west side
Baby if you wanna play
You know where to find me
Let's ride
She want take man for a test drive
Can't run outta gas, I'm Tesla
Say she wanna come my way
You know where to find me

079 me we can get it cracking in the hotel room
From the bed to the floor in the mirror
We can do it how you wanna do
Hold up
Teasing me, I feel like I'm about to blow up
You got me steaming girl, you need to slow up
Yeah yeah
Girl, you need to slow up
Yeah yeah yeah

Baby we'll do whatever you like
I'm gonna treat you so good tonight
Sipping the champagne and goose on ice
You know I do it right

Girl I Love the way you wine up on me

West side west side
Say she wanna come my way

You know where to find me
