# The Chase

**MiC LOWRY**

It happened on a Monday.
That's the first time that I saw you.
Lookin' through my window.
I couldn't wait to lasso you again.

I had to ask my boys if they saw you around.
They said, "Sure, we know that girl, she's the talk of the town.
She's on another level, never settle for a boy like you."

Baby, I want you. Do I just love the chase?
Do I really need you?
'Cause you don't give me the attention I crave.
'Cause you're throwin' me lifelines,
But in the mean time, don't be easy on me babe.
I want you or do I just love the chase?

Oooh, I used to be so good at this.
Usually keep that good poker face.
But I don't know how to stop it.
Everythin' tonight I'm lookin' for, girl you got it.

Why don't you run and ask your girls if they saw me around?
They said, "Me and my boys we're the talk of the town."
I almost settled for another, and she's on another level like you.

Oh, baby I want you. Do I just love the chase?
Do I really need you?
'Cause you don't give me the attention I crave.
'Cause you're throwin' me lifelines,
But in the mean time, don't be easy on me babe.
I want you or do I just love the chase?

Girl, I know you know I love to chase you, just run, run, run.
You're runnin' through my mind, I can't escape you, just run, run, run.
When I get ahold of you, I know what I'm gonna do.
Girl, I know you know I love to chase you, oooh.

Baby, I want you. Do I just love the chase?
Do I really need you?
'Cause you don't give me the attention I crave.
'Cause you're throwin' me lifelines,
But in the mean time, don't be easy on me babe.
I want you or do I just love the chase?

Just so you know I love you baby.
Just so you know, just so you know.
Just so you know I love you baby, oooh.
Just so you know I love you baby.
Just so you know, oooh.
Just so you know I love you babe.
Do I just love the chase?
