

You Make Me Wanna

MiC LOWRY

Before anything came between us
You were like my best friend
The one I used to run and talk to
When me and my girl was having problems
You used to say it'll be okay
Suggest little nice things I should do
But when I go home at night and lay my head down
All I seem to think about is you

This is what you do
This is what you do
This is what you do

You make me wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about a ring
And all the things that come along with it
You make me, you make me
Wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about a ring
And all the things that come along with it
You make me, you make me

Now, what's bad is you're the one that hooked us up
Knowing it should've been you
Now, what's sad is that I love her
But I'm falling for you
What should I do?
(Should I) Tell my baby bye-bye?
(Should I) Do exactly what I feel inside?
(Should I) Don't wanna leave, don't need to stay
But I really need to get it together

You make me wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about a ring
And all the things that come along with it
You make me, you make me
Make me wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about a ring
And all the things that come along with it
You make me, you make me

At this point, my situation's outta control
I never meant to hurt her but I gotta let it go
She may not understand that this is going on
I tried, I tried to fight, but the feeling's just too strong
Make, make, make me

You make me wanna leave the one I'm with
Start a new relationship with you

This is what you do
Think about a ring
And all the things that come along with it
You make me, you make me
Wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about a ring
And all the things that come along with it
You make me, you make me

Wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about a ring
And all the things that come along with it
You make me, you make me
You wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about a ring
And all the things that come along with it
You make me, you make me
You make me wanna leave the one I'm with
