

Holy Visitation

Micah Stampley

Sound the alarm gather the people, gather the elders let ministers wail.

Take back the years the enemies stolen, Lord you are coming with holy visitation.

Sound the alarm, awaken the watchmen open their ears let their voices be alarmed. We prophecy you will come to this nation, touch this generation with a holy visitation.

(We return to you)

We return to you fasting and seeking and praying, Oh my Lord you're returning.

We are here weeping between porch and altar, pour out your spirit on your sons and your daughters!

(We dance) We dance we shout, we lift up our voice let your kingdom come down (Ooooooh!)

Oh sound the alarm, awaken the watchmen open their ears let their voices be loud. We prophecy you will come to this nation touch this generation with a holy visitation(holy visitation)
