My God, You are
You are holy, holy
My God, You are
You are holy, holy

My God, You are
You are holy, holy
My God, You are
You are holy, holy

From age to age
We stand and proclaim
You are holy, holy
From day to day
You never change
You are holy, holy

My God, You are
You are worthy, worthy
My God, You are
You are worthy, worthy

My God, You are
You are mighty, mighty

You are mighty, mighty

From age to age
We stand and proclaim
You are holy, holy
From day to day
You never change
You are holy, holy

From age to age
We stand and proclaim
You are holy, holy
From day to day
You never change
You are holy, holy

You are holy, holy
You are worthy, worthy
You are mighty, mighty
You are mighty, mighty
