

# Never Let You Go

Micah Stampley

My soul will thirst  
My heart will long  
My gift will offer  
An empty song  
Without You in my life

I'll lift my voice  
But I'll still be lost  
You will not hear  
Unless I draw near  
Said I need You in my life

[Chorus:]  
Can't even imagine You  
Not being with me  
My life would be worthless  
How would I be free  
So I'll never let You go

Forever I'll cry out  
And never find peace  
A life of despair  
A soul of defeat  
So I'll never let You go

If you ever rejected me  
Where would I go  
Who would I be  
Without You in my life?

I'll pass away  
Like yesterday  
No hope to come  
No place to run  
Said I need You  
In my life, I

[Chorus]

(Go)  
I'll never let go  
(Go)  
I need You in my life  
(Oh)  
Oh, I'll never  
(Oh)  
Never let you go

Can't even imagine You  
Not being with me  
My life would be worthless  
How would I be free  
So I'll never let You go

Forever I'll cry out  
And never find peace  
A life of despair

A soul of defeat  
So I'll never let You go

Never let You go [7x]
