

# Unfailing Love

Micah Stampley

God we thank you for your love,  
Thank you for your redeeming power  
Thank you for hanging there in our place unconditional  
You never said a word  
So you loved the world so much that you gave your only Son

I see you hanging there  
I see your nail pierced hands  
For me you paid the price for me

I see your wounded side  
I hear your lonely cry  
For me you paid the price for me

[Chorus:]  
It was unfailing love (Yes)  
Grace by your blood  
Come and pour over me  
Till all I see is your unfailing love

(OOOOOOOO unfailing love Hallelujah)

I see the crown of thorns  
I hear them laugh and scorn  
For me you paid the price fore me  
(For me Yeah)

I see the Father's eye  
Turn from his bleeding Son  
For me you paid the price for me

[Chorus:]  
It was unfailing love  
Grace by your blood  
Come and pour over me  
Till all I see  
Is your unfailing love

(Unfailing love)

[Chorus:]  
Unfailing love  
(Grace by)  
Grace by your blood  
(Come Pour over me God)  
Pour over me  
Till all I see (Yeah)  
Is your unfailing

OOOOOOOOOO

Unfailing love  
(Grace)  
Grace by your blood  
(OOOO unfailing love)  
Unfailing love  
(Unconditionally you love me yes)

Grace by your blood  
(You didn't have to give your life but it worked)  
Unfailing love  
(Unfailing love)  
Unfailing love  
(Your love redeemed us all yeah  
I never forget what you've done so pour)  
Pour over me  
(Till all)  
Till all I see  
(Till I can't see anything else but your unfailing love)  
Is your unfailing love  
(Pour over me)  
Pour over me  
(Till I)  
Till all I see  
(Is your)  
Is your unfailing love

(Pour)  
Pour over me  
Till all I see  
(Till all I see)  
Is your unfailing
