

Praise The Lord

Micah Tyler

I remember when a long lost sinner
Met a good, good God
I remember when my heart was broken
But now it's not

I've tasted and I've seen
You've been so good to me
From the moment that You changed my life God
You never stopped

I'm gonna sing it
I'm gonna shout it
I'm gonna lift my hands and praise
No matter what is gonna come my way
All You've done for me
I give You the glory
From the valley to the victory
I know my God is gonna fight for me
So when the devil come try to get me
Gonna praise the Lord
When the devil come try to get me
Gonna praise the Lord

From the moment when the sun starts rising
Till the sun goes down (sun goes down)
I'm surrounded by a million mercies
I can feel them now

I've tasted and I've seen
You've been so good to me
Got a melody inside my heart oh
Here's a sweet, sweet sound

I'm gonna sing it
I'm gonna shout it
I'm gonna lift my hands and praise
No matter what is gonna come my way
All You've done for me
I give You the glory
From the valley to the victory
I know my God is gonna fight for me
So when the devil come try to get me
Gonna praise the Lord
When the devil come try to get me
Gonna praise the Lord

In every high
In every low
My hope is found in Christ alone
And here on earth when I get home
My hope is found in Christ alone

And I'm gonna sing it
Come praise the Lord
Come praise the Lord
Come praise the Lord
Come praise the Lord

I'm gonna sing it (come praise the Lord)
I'm gonna shout it (come praise the Lord)
I'm gonna lift my hands and praise
No matter what is gonna come my way
All You've done for me (come praise the Lord)
I give You the glory (come praise the Lord)
From the valley to the victory
I know my God is gonna fight for me
So when the devil come try to get me
Gonna praise the Lord
When the devil come try to get me
Gonna praise the Lord

So when the devil come try to get me
Gonna praise the Lord
When the devil come try to get me
Gonna praise the Lord
