

Remember This

Micah Tyler

A dime store ring
A summer night
The smallest things can change your life
A bended knee
A whispered yes
I want to remember this

A one bedroom
An empty fridge
We were poor
But we were rich
And I remember thinking then
I want to remember this

It goes so fast
It won't come back
Can't make the clock slow down
So I'll hold you close
I won't let go
I'll be right here, right now
For all the things I've missed
I want to remember this

A tiny hand
Wrapped in mine
The smallest things can change your life
A single tear
A forehead kiss
I want to remember this

It goes so fast
It won't come back
Can't make the clock slow down
So I'll hold you close
I won't let go
I'll be right here, right now
For all the things I've missed
I want to remember this

A packed up trunk
A tank of gas
The last one leaves
And after that
A quiet house reminding us
How short this story is

In this great big world
You helped me find
The smallest things can change your life
Your hand in mine
Until the end
For all the things I've missed
I want to remember this
