Just A Boy

Micatone

Just a boy
Playing with guns
Just a little kid

Making fun
War and death
Love and hate
But he can't look me in the face

And making love
It's like a fight
Who can't look me in the eyes
Another girl go away
All you can do is feel pain

I know I'm gonna hurt you
It's only time, we're drifting thru
Everything we said and done
Will be gone tomorrow

Just a boy
Who can't let go
Just a boy
Who loves me so
Just a boy
Acting too slow
Just a boy I don't know.

I know I'm gonna hurt you
It's only time, we're drifting thru
Everything we said and done
Will be gone tomorrow

I know I'm gonna hurt you
It's only time, we're drifting thru
Everything we said and done
Will be gone tomorrow

(Just, just, a boy)
(Just, just, a boy)
(Just, just, a boy)...
