Micatone

can you hear me?
i'm talking to you.
can you feel me?
your looks go straight through me.
you are so far, lightyears away.
away, from me.
upon a star, lightyears away.
away, from me.
you are so far, lightyears away.
away from me.
upon a star, lightyears away.
away, from me.

time, is ticking.
the hours are licking.
traffic, is rushing.
and fear is breaking.

you are so far, lightyears away.
away, from me.
upon a star, lightyears away.
away, from me.
you are so far, lightyears away.
away from me.
upon a star, lightyears away.
away, from me.

can you hear me?
i'm talking to you.
can you feel me?
your looks go straight through me.
you are so far, lightyears away.
away, from me.
upon a star, lightyears away.
away, from me.
you are so far, lightyears away.
away from me.
upon a star, lightyears away.
away, from me.
