

I Believe I Can Fly

Michael Ball

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms

If I can see it then I can do it
If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
Think about it every night and day
Spread my wings and fly away

I believe I can soar
See me running through an open door
I believe I can fly
I believe I can fly
I believe I can fly

'Cause I was on the verge of breaking down
Sometimes you know silence seems so loud
There are miracles in life I must achieve
But first I know it starts inside of me

If I can see it then I can be it
If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away

I believe I can soar
See me running through an open door
I believe I can fly
I believe I can fly
I believe I can fly
'Cause I believe in you

If I can see it then I can do it
If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away

I believe I can soar
See me running through an open door
I believe I can fly
I can fly
I can fly
I can fly

If I just spread my wings
I can fly
I can fly

I can fly
I can fly

I can fly
I can fly
I spread my wings and fly
