I Believe I Can Fly

Michael Ball

```
I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms
If I can see it then I can do it
If I just believe it, there's nothing to it
I believe I can fly
I believe I can touch the sky
Think about it every night and day
Spread my wings and fly away
I believe I can soar
See me running through an open door
I believe I can fly
I believe I can fly
I believe I can fly
'Cause I was on the verge of breaking down
Sometimes you know silence seems so loud
There are miracles in life I must achieve
But first I know it starts inside of me
If I can see it then I can be it
If I just believe it, there's nothing to it
I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
See me running through an open door
I believe I can fly
I believe I can fly
I believe I can fly
'Cause I believe in you
If I can see it then I can do it
If I just believe it, there's nothing to it
I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
See me running through an open door
I believe I can fly
I can fly
I can fly
I can fly
If I just spread my wings
I can fly
I can fly
```

```
I can fly
I can fly
I can fly
I can fly
I spread my wings and fly
```
