

# Love And Affection

Michael Ball

I am not in love  
But I'm open to persuasion  
East or west  
Where's the best for romancing  
With a friend I can smile  
With a lover I can hold my head back  
I could really laugh, really laugh

Thank you  
You took me dancing  
Across the floor  
Cheek to cheek  
But with a lover I could really move, really move  
I could really dance, really dance  
I could really move, really move, really move  
Now if I can feel the sun in my eyes  
And the rain on my face  
Why can't I feel

Love  
I could really love, really love, really love, really love, really love  
Love, love, love, love, love, love, love, love, love

Now I've got all the friends that I want  
I may need some more  
But I should just stick to those friends that I've got  
With friends i still feel so insecure  
Little darling, I believe you can help me a lot  
Just take my hands and lead me away  
No conversation, no wave goodnight

Just make love with affection  
Sing me another love song  
But this time with a little dedication  
Sing it, sing it  
You know that's what I like lover  
Once more with feeling  
Give me love, give me love, give me love  
Give me love

Just make love with affection  
Sing me another love song  
But this time with a little dedication  
Sing it, sing it  
You know that's what I like lover  
Once more with feeling  
Sing me another love song  
But this time with a little dedication  
Sing it, sing it  
You know that's what I like, lover  
With affection  
With a little dedication  
One more with the feeling  
You know that's what I like
