

Something's Coming

Michael Ball

Could be, who knows
There's something due any day
I will know right away soon as it shows
It may come cannonballing down though the sky
Gleam in its eye bright as a rose
Who knows?

It's only just out of reach, down the block, on a beach
Under a tree
I got a feeling there's a miracle due
Gonna come true, coming to me

Could it be? Yes, it could
Something's coming, something good, if I can wait
Something's coming I don't know what it is
But it is gonna be great

With a click, with a shock
Phone will jingle, door will knock, open the latch
Something's coming, don't know well
But it's soon catch the moon, one handed catch

Around the corner or whistling down the river
Come on, deliver to me
Will it be? Yes, it will maybe just by holding still
It'll be there

Come on, something, come on in, don't be shy
Meet a guy, pull up a chair
The air is humming
And something great is coming

The air is humming
And something great is coming
Who knows? It's only just out of reach
Down the block, on a beach, maybe tonight
Maybe tonight, maybe tonight
