Michael Bolton

Aaah ah

This is the tale of Captain Jack Sparrow  
Pirate so brave on the seven seas  
A mystical quest to the Isle of Tortuga  
Raven locks sway on the ocean's breeze

Ohhh oh

From the day he was born, he yearned for adventure  
Old Captain Jack giving them what for  
He's the pauper of the surf, The Jester of Tortuga  
But is Davy Jones' locker what lies in store?

This is the tale of the Disney marauder  
The true Pirate Lord, The Crustacean King  
Dismissed as a fool  
And then hailed as a hero  
Sir Captain Jack lives on in you and me
