

# One More Time

Michael Bolton

Don't look back  
Don't be scared  
We've got dreams and we're still young  
Just think about how far we've come  
Think of all  
We have shared  
It's a wonder we survive  
But here we are and we're alive!  
Can we hold on, hold on?  
Take a moment to celebrate  
Now before we are gone  
Take a moment to celebrate  
There's music in the wind  
Let's dance one more time  
There's a rhythm deep within  
Let's dance one more time

One more time  
Sing the song  
There's a power in our voices  
Hopeful and strong

Years from now  
Somewhere down the line  
We'll remember and we'll all sing  
One more time
