

# The Voice of My Heart

Michael Bolton

Gotta get close to me, gotta let love inside  
Gotta get into my arms  
And listen to the voice of my heart  
Oh Ooh Ooh

Searchin' my soul, searchin' for somethin'  
To find a way to make you believe, yeah  
And what can I say, words don't mean nothin'  
Oh, what can I do, to prove what I'm feelin' for you  
Oh, I could promise you love eternally  
Swear you mean the world to me  
Tell you over and over, get down on my knees  
To hold you and make you believe

[Chorus:]

Gotta get close to you, gotta let love inside  
Gotta get into my arms, and listen to the voice of my heart  
Baby, the only way you'll know the sound inside my soul  
Gotta get close to me, and listen to the voice of my heart

Look into my eyes, don't look behind you  
Let me take you where heaven is waiting  
Right here in my arms, yeah  
I promise this time, real love will find you  
Oh, what can I do, to just make this one thing come true  
Oh, I would take your heart, into my hands  
Shelter you, make you understand  
Tell you over and over, you're all that I need  
To hold you and make you believe

[Chorus]

Talkin' 'bout some deep emotion  
You'll find it when you look in my eyes  
Lookin' for some real emotion  
Come into my life, come into my arms  
Come closer, come closer  
It don't mean a thing until I can make you believe

Gotta get close to me, gotta let love inside  
Gotta get into my arms  
And listen to the voice of my heart

[Chorus]

(listen to the voice of my heart) Baby  
(listen to the voice of my heart)  
Gotta get close to me, gotta let love inside  
Baby, get close to me
