

# Time, Love and Tenderness

Michael Bolton

So you say that you can't go on  
Love left you cryin'  
And you say all your hope is gone  
And what's the use in tryin'?  
What you need is to have some faith  
Shake off those sad blues  
Get yourself a new view

Oh, nothing is as sad as it seems, you know  
'Cause someday you'll laugh at the heartache  
Someday you'll laugh at the pain  
Somehow you'll get through the heartache  
Somehow you can get through the rain

[Chorus]

When love puts you through the fire  
When love puts you through the test  
Nothing cures a broken heart  
Like time, love, and tenderness  
When you think your world is over  
Baby, just remember this  
Nothing heals a broken heart  
Like time, love, and tenderness  
Time, love, and tenderness

I understand how you're feeling now  
And what you've been through  
But your world's gonna turn around  
So, baby, don't you be blue  
All it takes is a little time  
To make it better  
The hurt won't last forever

Oh, all the tears are gonna dry you know  
'Cause someday you'll laugh at the heartache  
Someday you'll laugh at the pain  
You may be down on your luck  
But, baby, that old luck's gonna change

[Chorus]

Baby, oh baby you just need some  
You just need some  
Time, love, and tenderness  
Time, love, and tenderness  
The hurt ain't gonna last forever  
Time, love, and tenderness  
Time, love, and tenderness
