

(What A) Wonderful World

Michael Bolton

Don't know much about history
I don't know much biology
I don't know much about the science book
Don't know much about the French I took

But I do know that I love you
And I know that if you love me too
What a wonderful world this would be

Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
Don't know what a slider rule is for

But I know that one and one is two
And if this one could be with you
What a wonderful world this would be

Oh, I don't claim to be an 'A' student
But I'm trying to be
For maybe by being an 'A' student baby
I can win your love for me

Now I don't claim to be an 'A' student
But I'm trying to be
For maybe by being an 'A' student baby
I can win your love for me

Don't know much about history
Don't know much biology
Don't know much about the science book
I don't know much about the French I took

But I do know I love you
And I know that if you love me too
What a wonderful world this would be
What a wonderful world this would be

Ooh, what a wonderful world
Ooh, what a wonderful world
Ooh, what a wonderful world
...
