

How About This

Michael Brun

Guess what? The bitch is back
She came to stir up the clout and light a match
Making niggas sweat, four [?] effect
Getting litty litty in my city
And I don't know how to act
Throw shade, I'm off the bat
Moving in a movement 'cause we on a clout combat
Dirty sleeping floors [?] since I got the board
It's time to jack
Pumping on the beat
Yo DJ, bring it back like

I don't know about you but how 'bout this?
I don't know about you but how 'bout this?
I don't know about you but how 'bout this?
'Cause I'ma shake that thing and move those hips
I don't know about you but how 'bout this?
I don't know about you but how 'bout this?
I don't know about you but how 'bout this?
'Cause I'ma shake that thing and move those hips
I don't know about you but how 'bout this?
I don't know about you but how 'bout this?
I don't know about you but how 'bout this?
'Cause I'ma shake that thing and move those hips
I don't know about you but how 'bout this?
I don't know about you but how 'bout this?
I don't know about you but how 'bout this?
'Cause I'ma shake that thing and move those hips

'Cause I'ma shake that thing and move those hips
'Cause I'ma shake that thing and move those hips
'Cause I'ma shake that thing and move those hips
I don't

Shake that thing and move those hips
I don't shake that thing and move those hips
I don't shake that thing and move those hips
I don't shake that thing and move those hips
I don't, I don't shake that thing and move those hips
I don't shake that thing and move those hips
I don't shake that thing and move those hips
I don't shake that, shake that, shake that
I don't shake that thing and move those hips
I don't shake that thing and move those hips
I don't shake that thing and move those hips
I don't shake that thing and move those hips
I don't shake that thing and move those hips
I don't shake that thing and move those hips
I don't shake that thing and move those hips
I don't know about you but how 'bout this?

'Cause I'ma shake that thing and move those hips
