

Jupiter

Michael Brun

Something unexpected,
something out the blue.
Started out as nothing, but love grew.
Took a new direction,
took a turn for you.
Now I can't go back, what do I do?

I don't wanna leave, I don't wanna go.
I'll tell you something,
I don't wanna leave, I don't wanna go. [x2]

I'm closing up the space between us,
there's nothing that can keep you from my love.
Your distance heaven down to earth.
From here to Jupiter. [x2]

From here to Jupiter. [x2]

You were unexpected,
you were out the blue.
Started out as friends, but our love grew.
Took a new direction,
took a turn for you.
Now I can't go back, what do I do?

I don't wanna leave, I don't wanna go.
I'll tell you something,
I don't wanna leave, I don't wanna go. [x2]

I'm closing up the space between us,
there's nothing that can keep you from my love.
Your distance heaven down to earth.
From here to Jupiter. [x2]

From here to Jupiter. [x2]

Only wanna be with you.
Because nothing makes me feel this way , oh no.
I could give you everything,
oh ah, oh ah, oh ah, oh ah [x2]

I'm closing up the space between us,
there's nothing that can keep you from my love.
Your distance heaven down to earth.
From here to Jupiter.
