

Melanin

Michael Brun

Summertime feels

Drink in my hand chillin' on a rooftop
City never sleeps so the flex never stop
Sun feels good on my melanin (Mmm)
Feelin' pretty good to be out again
Drink in my hand chillin' on a rooftop (Mmm)
City never sleeps so the flex never stop
Sun feels good on my melanin
Feelin' pretty good to be out again

This is how summertime should feel
This is how summertime should feel
Feelin' pretty good in my melanin

Summertime feels
Feelin' pretty good in my melanin
(Summertime) Summertime feels
(Feel it in the summertime)
Feelin' pretty good to be out again

Can you feel it in the summertime?
This is how summertime should feel (Feel it in the summertime)
Sun feels good on my melanin
(Summer, summer, summertime) This is how summertime should feel
(Summertime) Feelin' pretty good to be out again
