

Oh Mama

Michael Brun

One, two, three, four
Oh mama oh mama burning inside
I'm dreaming I'm drumming I'm dreaming alive
The high and the high and the heaven inside,
I'm healing my mind and I'm learning to fly

Oh mama oh mama burning inside
I'm dreaming I'm drumming I'm dreaming alive
From Berlin to Cuba the human inside
From Haiti, Columbia I'm melting in silence
In silence
In silence
Oh mama oh mama ma oh
In silence
Its violent
Oh mama oh mama ma oh
In silence
In silence
Oh mama oh mama ma oh
In silence
Its violent

Uno, dos, tres, quatro
Oh mama oh mama losing my mind
I'm dreaming I'm drumming I'm dreaming alive
I'm bending a beat that I cannot describe
I'm turning and twisting a melodic vibe

Oh mama oh mama burning inside
I'm dreaming I'm drumming I'm dreaming alive
The high and the high and the heaven inside
From Ghana to Tokyo I'm melting in silence
In silence
In silence
Oh mama oh mama ma oh
In silence
Its violent

In silence
In silence
Oh mama oh mama ma oh
In silence
Its violent

Un, deux, twa, Kat
Uno, dos, tres, quatro
One two three four
