I Wanna Be Around

Michael Bublé

I wanna be around to pick up the pieces When somebody breaks your heart Some somebody twice as smart as I

A somebody who will swear to be true As you used to do with me Who'll leave you to learn That misery loves company, wait and see

I wanna be there to see how he does it When he breaks your heart to bits Let's see if the puzzle fits so fine

And that's when I'll discover that revenge is sweet As I sit there applaudin' from a front-row seat When somebody breaks your heart Like you broke mine

And that's when I'll discover that revenge is sweet As I sit there applaudin' from a front-row seat When somebody breaks your heart Like you, is gonna break your heart Just like you broke mine
