Stuck In The Middle With You

Michael Bublé

Well I don't know why I came here tonight I got the feelin' that somethin' ain't right I'm so scared in case I fall off my chair And I'm wonderin' how I'll get down the stairs

Clowns to the left of me Jokers to the right Here I am stuck in the middle with you

Yes I'm stuck in the middle with you And I'm wonderin' what it is I should do It's so hard to keep this smile from my face Lose control, yeah I'm all over the place

Clowns to the left of me Jokers to the right Here I am stuck in the middle with you

Well you started off with nothin'
And you're proud that you're a self-made man
And your friends they all come crawlin'
Slap you on your back and say
Please& Please&
Oh!

I'm tryin' to make some sense of it all But I can see it makes no sense at all Is it cool to go to sleep on the floor Cause I don't think I can take it no more

Clowns to the left of me Jokers to the right Here I am stuck in the middle with you yeah

Well you started off with nothin'
And you're proud that you're a self-made man
And your friends they all come crawlin'
Slap you on your back and say
Please& Please&
