

# Such a Night

Michael Bublé

It was a night  
Oh, what a night  
It was, it really was such a night  
Oh, the moon was bright  
Oh, how bright  
It was, it really was such a night

Oh, the night was alight  
With stars above  
Mmm, when she kissed me  
I had to fall in love

Mmm, it was a kiss  
Ooh, it was a kiss  
It was, it really was such a kiss  
Oh, how she could kiss  
Oh, what a kiss  
It was, it really was such a kiss

Just the thought of her lips  
Set me afire  
I reminisce  
I'm filled with desire

But I gave my heart to her  
In sweet surrender  
How well I remember  
I'll always remember

Oh, what a night  
Oh, it was a night  
It was, it really was such a night  
Came the dawn  
And my heart and her love  
And the night was gone

But I'll never forget  
Forget her kiss in the moonlight  
Oh, such a kiss  
Ah, such a night

Oh, what a night  
Oh, what a night  
It was, it really was such a night  
Oh, the moon was bright  
Oh, how bright  
It was, it really was such a night

But I'll never forget  
Forget the kiss in the moonlight  
How well I remember  
I'll always remember

That I gave my heart to her  
In sweet surrender  
How well I remember  
I'll always remember

Woah, that night  
Oh, what a night  
It was, it really was such a night  
And when we kissed  
I had to fall in love

Well, she's gone, gone, gone  
Yes, she's gone, gone, gone  
And the dawn, dawn, dawn  
And my love was gone  
But before that dawn  
Yes, before that dawn  
Oh, before that dawn  
Ooh  
Mmm  
Oh  
Woah, such a night
