

You're Nobody Till Somebody Loves You

Michael Bublé

You're nobody 'til somebody loves you
You're nobody 'til somebody cares
You may be king, you may possess the world and it's gold
But gold won't bring you happiness when you're growing old

The world still is the same, you'll never change it
As sure as the star shines above
You're nobody 'til somebody loves you
So find yourself somebody to love

The world still is the same, you'll never change it
As sure as the star shines above
You're nobody 'til somebody loves you
So find yourself somebody to love
So find yourself somebody to love
