

## Know You In The Now

Michael Card

Echo of history  
A light so many strain to see  
The One we talk so much about  
But rarely ever live it out

Could You tell me why  
Was it for this You came and died  
A once a week observance  
When we coldly mouth Your words

Lord I long to see  
Your presence in reality  
But I don't know how  
Let me know You in the now

We should confess  
We lose You in our busyness  
We've made You in our image  
So our faith's idolatry

Lord, deliver me  
Break my heart so I can see  
All the ways You dwell in us  
That You're alive in me

Lord I long to see  
Your presence in reality  
But I don't know how  
Let me know You in the now
