

For All We Know

Michael Crawford

Joseph's Lullaby
Mary are you sleeping?
Mary I'm afraid
Mary can I live up to
The choice that God has made?
Jesus can You tell me
Here upon my knee
What kind of father will I be?
What can I give to You
You, made from miracles
That God has given me to keep?
I can't give much to You
You, made from miracles
But I can hold You as You sleep
What can You learn from me
You, made from miracles
When I've so much to learn from You?
What can a man like me
Offer the Miracle
Who taught me miracles come true
Tell me how to guide You
Tell me what to say
Tell me how to show You how
To show the world the Way
How to please the angels
Watching from above
When all I have to give You is love.
But if it's love You need
You made from miracles
Then take my hand and hold it tight
And I will give you love
Sweet, little Miracle
That God has given me tonight
Sweet little Miracle
Oh what a miracle
That God had given us tonight.
