In sleep he sang to me In dreams he came That voice which calls to me and speaks my name And do I dream again for now I find The Phantom of the Opera is there Inside my mind Sing once again with me Our strange duet My power over you grows stronger yet And though you turn from me to glance behind The Phantom of the Opera is there Inside your mind Those who have seen your face Draw back in fear I am the mask you wear It's me they hear... Your/My spirit and my/your voice in one combined The Phantom of the Opera is there Inside my/your mind He's there, the phantom of the opera! He's there, the phantom of the opera Sing, my Angel of Music Sing, my Angel

Sing for me Sing, my Angel! Sing for me!

I have brought you

to the seat of sweet music's throne to this kingdom where all must pay homage to music music You have come here, for one purpose, and one alone Since the moment I first heard you sing, I have needed you with me, to serve me, to sing, for my music... my music...
