

## A Little Bit Of Riddim

Michael Franti & Spearhead

Riddim!  
You ready michael?!  
Rock with me  
And you hear the sound  
A little bit of riddim make the world go round  
Whoaaa  
And you hear the sound  
A little bit of riddim make the world go round  
Whoaaa  
And you hear the sound  
A little bit of riddim make the world go round  
Whoaaa  
And you hear the sound  
A little bit of riddim make the world go round  
Whoaaa  
Do you remember the time before  
Every day was the news of a holy world  
When the people was afraid to tell you what they want  
Everybody in the city always hide at home
