

# All I Need Is You And Me

Michael Franti & Spearhead

All I need  
All I need  
All I need is

You and me  
You and me  
You and me  
Yeah

All I need  
All I need  
All I need is

You and me  
You and me  
You and me

There's a lot of things that I want to tell you  
My heart was broken in two and then along came you  
Showing me a light that would guide me through  
You said don't hold back the feelings  
You showed me our love was real and  
Now I would climb every mountain to show you my appreciation

All I need  
All I need  
All I need is

You and me  
You and me  
You and me

Yeah  
All I need  
All I need  
All I need is

You and me  
You and me  
You and me  
Yeah whoa whoa

Oh we got most, oh we got most  
All I need  
All I need  
All I need is

You and me  
You and me  
You and me  
Yeah

Yeah yeah my baby, baby, bae  
Yeah yeah my baby, baby, bae

There's a lot of things that I want to tell you  
You helped me seeing the truth

Through all the miles I was struggling  
That held me back from loving you  
You said don't hold back the feelings  
And showed me our love was real and  
Now I would climb every mountain to show you my appreciation

All I need  
All I need  
All I need is

You and me  
You and me  
You and me

Yeah  
All I need  
All I need  
All I need is  
You and me  
You and me  
You and me  
Yeah whoa whoa

Oh we got most, oh we got most  
All I need  
All I need  
All I need is

You and me  
You and me  
You and me  
Yeah

Yeah yeah my baby, baby, bae  
Yeah yeah my baby, baby, bae

All I need  
All I need  
All I need is  
You and me  
You and me  
You and me  
Yeah

All I need  
All I need  
All I need is  
You and me  
You and me  
You and me

Yeah whoa whoa  
Oh we got most, oh we got most
