

# All Night Long Forever

Michael Franti & Spearhead

Yeah yeah yeah yeah  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah

It's so easy easy easy  
When you're kickin' it with me  
And we kiss this week goodbye bye, bye (kiss the week goodbye ya'll)

When the DJ, DJ plays  
A little bit of old school Bob Marley  
Then we raise our cups up to the sky (put em up, put em up)

Good vibes taking over  
Hips movin' like yoga  
We gon' burn it down like sunset California

Yeah we gon' stay up rockin' all night long  
Then we do it again  
Stereo spinning rockin' all night long  
Then we do it again  
Up on the table rockin' all night long  
Then we do it again  
No matter where we rockin' all night long

Then we go all night long  
Then we do it again  
All night long forever  
Then we do it again

Uh we gonna do it all night like  
Dracula still we see the light like  
Back in the day we would jam all night like  
Fantasy Island on our own paradise

And if we're doing it once we be doing it twice  
And if we doing it twice we be doing it thrice  
And if we doing it thrice we be doing it right like  
No stress just livin' a life

Keep rockin' till the early morning  
Don't stop till we see the dawn and  
Roll up that Cheech and Chong and  
Everybody just singing along and

Yeah we gon' stay up rockin' all night long  
Then we do it again  
Stereo spinning rockin' all night long  
Then we do it again  
Up on the table rockin' all night long  
Then we do it again  
No matter where we rockin' all night long

Keep rockin' till the early morning  
Don't stop till we see the dawn and  
Roll up that Cheech and Chong and  
Everybody just singing along and

Keep rockin' till the early morning  
Don't stop till we see the dawn and  
Roll up that Cheech and Chong and  
Everybody just singing along and

Yeah we gon' stay up rockin' all night long (then we do it again)  
Stereo spinning rockin' all night long (then we do it again)  
All night long (then we do it again)  
All night long forever (then we do it again)  
All night long forever (then we do it again)
