

Anybody Seen My Mind

Michael Franti & Spearhead

Everybody wants to be what they want to be
Everybody want to have a good time
I just want to hang out with my peaceful itty bitty family
Playing sweet, sweet music with some friends of mine

But I try to fake it, I can't do it all the time
Try hard to break it, but it was just a waste of my time
When I turn on my TV, seems like they're winning all the time
I pray to God to please show me a sign

Has anybody seen my mind?
Has anybody seen my mind?
Has anybody seen my mind?
Has anybody seen my mind?

I would never ever leave you hanging on the corner with a problem
I would never ever leave you all alone
I always wanted you to know that you could depend on me
When I come out to your place, I will never be without a home

But I try to fake it, I can't do it all the time
Try hard to break it, but it was just a waste of my time
When I turn on my TV, seems like they're winning all the time
I pray to God to please show me a sign

Has anybody seen my mind?
Has anybody seen my mind?
Has anybody seen my mind?
Has anybody seen my mind?

I want you to walk with me now, talk with me now
Be with now, and everything is all right

Walk with me now, talk with me now
Be with now, and everything is all right
Walk with me now, talk with me now
Be with now, and everything is all right
Walk with me now, talk with me now
Be with now, and everything is all right

I try to fake it, I can't do it all the time
Try hard to break it, but it was just a waste of my time
When I turn on my TV, seems like they're winning all the time
I pray to God to please show me a sign

Has anybody seen my mind?
Has anybody seen my mind?
Has anybody seen my mind?
Has anybody seen my mind?
