

Best at Loving You

Michael Franti & Spearhead

I'm not tryna be Superman
I'm just tryna hold your hand
Like lovers do, to make it through
The world can be a big old place
And I'm just glad I found my place
Right next to you
Ooh ooh, ooh ooh

And I'm not tryna hang the moon with starlight
I just wanna hang with you, all night

All I'm tryna do
Is be the best at lovin' you
Lovin' you lovin' you yeah
All I'm tryna do
Is be the best at lovin' you
Ooh ooh, ooh ooh

If we grow from young to old
It'll be worth more than all the gold
In my life and your life
And when you look inside my soul
I hope you'll always see a boy with bright eyes

And now I'm just a man
Who's tryna fully understand
The soul inside of you
The light in you

Cause all I'm tryna do
Is be the best at lovin' you
Lovin' you lovin' you yeah
Yeah, all I'm tryna do
Is be the best at lovin' you
Ooh ooh, ooh ooh

So don't worry, don't worry, don't worry
About whatever comes along
Ooh ooh, ooh ooh
Don't worry, don't worry
Those worries they never last too long
Ooh ooh, ooh ooh

I'm not tryna be Superman
I'm just tryna hold your hand
Like lovers do to make it through

All I'm tryna do
Is be the best at lovin' you
Lovin' you lovin' you yeah

All I'm tryna do
Is be the best at lovin' you
Lovin' you lovin' you yeah
All I'm tryna do
Is be the best at lovin' you
Ooh ooh, ooh ooh

All I'm tryna do
Is be the best at lovin' you
