

# Happy Is The New Sexy

Michael Franti & Spearhead

Happy is the new sexy  
Happy is the new sexy

Go ahead and be who you are  
'Cause your smile says it all you know  
Happy is the new sexy

When I look in the mirror  
Mirror what do I see  
I see a fine mother shut your mouth  
Smiling back at me

My life ain't a rehearsal  
And I don't care 'bout commercial  
My soul don't trend on the net  
My Internet is my circle

I'm dancing funky like Urkel  
Like I got Prince in my purple  
My people all 'round the world  
Like every color of swirl

I don't care what you wear  
Or the style of your hair  
Just as long as you throw a little loving in the air 'cause

Happy is the new sexy  
Happy is the new sexy

Go ahead and be who you are  
'Cause your smile says it all you know  
Happy is the new sexy

I like the way you radiate from your soul that's sexy  
The way you roller-skate oh oh that's sexy  
The way that you communicate oh oh that's sexy  
The way you celebrate your glow that's sexy

I don't care what you wear  
Or the style of your hair  
Just as long as you throw a little loving in the air 'cause

Happy is the new sexy  
Happy is the new sexy

Go ahead and be who you are  
'Cause your smile says it all you know  
Happy is the new sexy

Happy is the new sexy  
Happy is the new sexy

Go ahead and be who you are  
'Cause your smile says it all you know  
Happy is the new sexy

Everybody say it now

Happy is the new sexy  
Happy is the new sexy

Go ahead and be who you are  
'Cause your smile says it all you know  
Happy is the new sexy
