

I Don't Wanna Go

Michael Franti & Spearhead

You gotta live the life you love
And love the life you live

I'm gonna die, whoa
I'm gonna die
But it won't be tonight
Oh no, oh no, no
But if I did whoa
I would have lived
Through the best ever night of my life

And I say hey baby
I wouldn't stop for a million bucks
Hey baby, I wouldn't stop because

I don't wanna go [x3]
Nowhere, nowhere
I don't wanna go [x3]
Nowhere, nowhere
Unless I'm going with you

We hit the streets out at 4am
Before the sun came up with tequila in hand
Because you never ever know when it all might end
That's why the drums and bass should always be your friend

Reggae-tronic, boombox-sonic
Pumpin all around the world
It doesn't matter if it's London, New York, Tokyo or Kandahar
As long as you're my girl

And I say hey baby
I wouldn't stop for a million bucks
Hey baby, I wouldn't stop because

And I say
I'm gonna die, whoa
I'm gonna die
But it won't be tonight
I don't wanna go [x3]
Nowhere, nowhere
Nowhere [x3]

I don't wanna go [x3]
Nowhere, nowhere
Unless I'm going with you

We ain't gonna stop till the sun comes up
I wouldn't stop for a million bucks [x5]
