

I'm On Your Side

Michael Franti & Spearhead

If you ever lay awake at night
Wondering if we'll be alright
I'm on your side
I'm on your side
If you're sitting at the kitchen table
Counting up your bills to pay
I'm on your side
I'm on your side
If you drop your kids at school and wonder
If they make it home today
I'm on your side
I'm on your side
If you're staring at the TV stations
Wondering how we got this way
I'm on your side
I'm on your side

Can you hear me?
Is your heart beating like a drum?
Can you hear me?
I don't care where you come from
I am on your side
I'm on your side
I'm on your side
I'm on your side
I'm on your side

If ice is clinking in your cup
You're thinking about giving up
I'm on your side
I'm on your side
And if you got the news today
Doctor's telling you to pray
I'm on your side
I'm on your side
And if you feel the pounding fear
When flashing lights are in your mirror
I'm on your side
I'm on your side
And if you hold a friend and say
I wonder how we got this way
I'm on your side
I'm on your side

Can you hear me?
Is your heart beating like a drum?
Can you hear me?
I don't care where you come from
I am on your side
I'm on your side
I'm on your side
I'm on your side
I'm on your...

If you're weary and you're broken
And you don't know what to hope in
If you're willing and you're able

Come and meet me at the table
If you've lost your way to laugh and
Can't remember how to dance and
If you're out of tears to cry
Take my hand and
I'm on your side
I'm on your side
I'm on your side
I'm on your side
I'm on your side
I'm on your side
I'm on your side
