

# No Makeup

Michael Franti & Spearhead

You are a real wild child and  
Me I'm a rebel for forever and  
We always gettin' into trouble like  
Pop the bubbles, our friends are drinking doubles  
And I love when the weekend's on  
You're dancin' with your new dress on  
And singin' to our favorite song and  
Body rockin' all night long but

I love it when you wake up  
With no makeup  
Pretty as the day is long  
Your hair a little messy cause we got a little busy stayin' up all night long  
Mornin' sunrise with you got me smilin'  
Always good vibes with you by my side and  
I just wanna love you for forever long  
With no makeup on  
With no makeup on  
As perfect as the day you were born  
I love it when you wake up  
With no makeup  
No makeup on

Stop save this moment in my memory  
Hold up before you I was empty  
Now you callin' me baby  
Got me thinkin' maybe  
We could make a family  
When I wake up from my dreams  
And you're still dreamin' next to me  
I close my eyes and count to ten and  
Try to figure out what heaven I'm in but

I love it when you wake up  
With no makeup  
Pretty as the day is long  
Your hair a little messy cause we got a little busy stayin' up all night long  
Mornin' sunrise with you got me smilin'  
Always good vibes with you by my side and  
I just wanna love you for forever long  
With no makeup on  
With no makeup on  
As perfect as the day you were born  
I love it when you wake up  
With no makeup  
No makeup on

Nah, nah, nah, nah, nah, nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah, nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah, nah, nah, nah, nah, nah

I love it when you wake up  
With no makeup  
No makeup on  
Always forever I will love you on a Monday

Always forever I will love you on a Tuesday  
Always forever I will love you on a Wednesday  
Thursday, Friday, Saturday, and Sunday

Always forever I will love you on a Monday  
Always forever I will love you on a Tuesday  
Always forever I will love you on a Wednesday  
Thursday, Friday, Saturday, and Sunday

I love it when you wake up with no makeup  
Pretty as the day is long  
I love it when you wake up with no makeup  
With no makeup on
