

# Rise Up

Michael Franti & Spearhead

Lookin' in the mirror, talkin' to my fear  
You ain't comin' round today  
You tried to hold me down  
But listen to me now  
Cause this is what I got to say

I'm gonna rise up, rise up  
Nothing's gonna hold me  
Rise up, rise up  
Nothing's gonna hold me  
Rise up, rise up  
Nothing's gonna hold me back today

Love is like a lighter  
Set my soul on fire  
And I'm choosin' love today  
I always been a fighter, not just a survivor  
And this is what I got to say

I'm gonna rise up, rise up  
Nothing's gonna hold me  
Rise up, rise up  
Nothing's gonna hold me  
Rise up, rise up  
Nothing's gonna hold me back today

Never gonna give up, nooo  
Never gonna give up, noo  
Never gonna give up, nooo  
Never gonna give up, noo

I'm gonna rise up, rise up (never gonna give up, nooo)  
I'm gonna rise up, rise up (never gonna give up, noo)  
I'm gonna rise up, rise up (never gonna give up, nooo)  
Nothing's gonna hold me back today

I'm gonna rise up, rise up (rise up, rise up)  
Rise up, rise up (rise up, rise up)  
Rise up, rise up  
Nothings gonna hold me back today

Never gonna give up, nooo  
Never gonna give up, noo  
I'm gonna rise up  
I'm gonna rise up  
I'm gonna rise up, rise up  
Nothing's gonna hold me back today
