Summertime Won't Last Long

Michael Franti & Spearhead

Summertime ain't gone, no, no, no
And summertime won't last long
Ya know it won't last long
So love me, love me, love all night long

Drivin' down the highway in the middle of the summer
To the first place that I swam
Bob Marley cornin' through my speakers
In my old VW van
Ya told me you were here for a couple a months
But I ain't never been one for plans
I wanna jump into the water
Cause the day is getting hotter
Running round with you in the sand

I wanna wake up with ya baby
In the morning with the birds singin'
Sun shinin' in your eyes
I know I only met ya but ya know I can't forget ya and I never wanna say goo
dbye

So come on and stay with me, stay with me, stay with me tonight
Come on and stay with me, stay with me, stay with me tonight (oh baby)
Cause summertime ain't gone no, no, no
But summertime won't last long
Ya know it won't last long
So love me, love me, love me all night long
Summertime ain't gone no, no, no
But summertime won't last long
Ya know it won't last long
So love me, love me, love me all night long

Rockin' with you in a hammock
Watching sunset magic
As the moon rises tonight (aww)
There ain't no traffic
In the sand, no panic
Gonna roll us a spliff to light (alright)
It's been the best summer
Wouldn't trade it for another
Gonna call my mother
Tell her bout my lover
Rockin' with ya baby
Underneath the stars and I wish this'll never end

I wanna wake up with you baby
In the morning with the birds singin'
Sun shinin' in your eyes
I know I only met ya
But ya know I can't forget ya
And I never wanna say goodbye

So come on and stay with me, stay with me, stay with me tonight
Come on and stay with me, stay with me, stay with me tonight
Cause summertime ain't gone no, no, no
But summertime won't last long
Ya know it won't last long

So love me, love me, love me all night long
Cause summertime ain't gone no, no, no
But summertime won't last long
Ya know it won't last long
So love me, love me, love me all night long

I wanna wake up with ya baby
In the morning with the birds singin'
Sun shinin' in your eyes
I know I only met ya
But ya know I can't forget ya
And I never wanna say goodbye
Summertime ain't gone no, no, no
But summertime won't last long
Ya know it won't last long
So love me, love me, love me all night long
Summertime ain't gone no, no, no
But summertime won't last long
Ya know it won't last long
So love me, love me, love me all night long
Summertime ain't gone no, no, no
But summertime won't last long
Ya know it won't last long
So love me, love me, love me all night long

Love me love me love me all night long
Love me love me love me all night long
Love me love me love me all night long
Cause summertime won't last long
