

# The Friends Song

Michael Franti & Spearhead

Woo, ooh-ooh, oh-ooh, ooh-ooh

We started up the weekend before the week was through  
Hella people in the party but nobody quite like you  
I had barely met you but I knew that this was true  
I wanted to hang out with you underneath the moon

Like friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
Maybe we could be friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)

This Fyre Festival is freaking dead just ask Ja Rule  
Everybody wants to be a model actin' cool  
Let's go grab a bottle and call up all of your crew  
We'll all go stay out late and celebrate this life

Like friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
Maybe we could be friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
Let's be friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
We could be friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)

We walked under the stars  
Makin' out under the trees  
I was lookin' in your eyes  
You're lookin' back at me  
We both realized maybe this was meant to be  
I hope that for forever we'll be makin' memories

Like friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
We could be friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
Let's be friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
We could be friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)

Everybody throw your hands up in this atmosphere (Hey!)  
Cause' everybody turnt up for the party of the year (Ho!)  
So throw your cups and raise a little cheer (Ha, ha, ha!)  
Cause' life's about friends and our friends are all here

So come on (Come on), Come on (Come on)  
Come on (Come on), Come on

Let's be friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
We could be friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
We're all friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
Let's be friends (Yew, ooh-ooh, oh-ooh, ooh-ooh)  
And everybody said  
Woah (Woah)  
Let's be friends  
Woah (Woah)  
We're all friends  
Woah (Woah)  
We could be friends  
Woah (Woah)  
Let's be friends
