

# The System

Michael Franti & Spearhead

Look at the world outside your phone  
Look at the world outside and know you're not alone

Oh oh  
Don't let the system get you down (hey)  
Oh oh oh oh oh oh  
Don't let the system get ya down (hey)

Look at your friends they understand  
Just like your neighbors do so maybe lend a hand

Oh oh  
Don't let the system get you down (hey)  
Oh oh oh oh oh oh  
Don't let the system get ya down (hey)

Well they tryna mess around with me and you  
Dividing us between the red and blue  
Nations, race, religion politicians use

But fuck em if that's what they tryna do  
That's what they tryna do  
That's what they tryna do

Don't let the system get ya down (hey, hey)  
Look at the world standing tall  
Climbing mountains rising even when we fall

Oh oh  
Don't let the system get you down (hey)  
Oh oh oh oh oh oh  
Don't let the system get ya down (hey)

Oh oh oh oh oh oh  
Don't let the system get ya down (hey)  
Oh oh oh oh oh oh  
Don't let the system get ya down (hey)  
Get ya down  
Don't let the fucking system get you down
