

How You Are

Michael Grimm

Living
Living life is easy
It's not as bad as it could be
'Cause I've got you here with me
Happy
Well I guess they call this happy
As long as we keep laughing
How hard could it be?

So baby just sing
Sing along with me
No matter what song
Just set yourself free
Nobody's perfect
Let yourself go
And let down your guard

How you are
How you are
How you are
Is alright with me

Shadows, mmh
Well, it's all just light and shadows
There's more goodbyes than hellos
Mmh, so you better make 'em last
Beauty
Oh, born out of compassion
Said it's deep and everlasting
That's what you have always had, oh now

So baby just sing
Sing along with me
No matter what song
Just set yourself free
Nobody's perfect
Let yourself go
And let down your guard, yeah

How you are
How you are
How you are
Is alright with me

New is the world
It's all in your perspective
And I'm just a boy
Looking at a girl

So baby just sing
Sing along with me
No matter what song
Just set yourself free
Nobody's perfect
Let yourself go
And let down your guard, yeah

How you are
How you are
How you are
Is alright with me
It's alright with me
It's alright with me
How you are
