

Humdinger

Michael Grimm

Alright
Yeah
Come here, baby
Alright now
Bring it to me now

Humdinger
She likes to lick my finger
Yeah, yeah, yeah, come on
Humdinger
She likes to lick my finger

She rolls it 'round her tongue like a natural thing
She makes me feel like a natural king

Humdinger
She likes to lick my finger
Yeah, baby, come on now
Humdinger
She likes to lick my finger

She's got her lips around me, painted red
Come on now
She close her eyes when she rolls her head

Humdinger
She likes to lick my finger
Yeah, oh, ooh, come on, baby
Humdinger
Yeah
She loves to lick my finger

Ooh, yeah, yeah
Yeah, baby
Yeah, baby
Come on

Said, humdinger
Lord, she likes to lick my finger
Oh, and I love it too, baby, come on
Said, humdinger
She loves to lick my finger

Humdinger

Yeah, baby, you know how to it now
Come on, baby

Lord, she's humdinger
She likes to lick my finger
Pretty baby
Ooh, yeah
