

I Don't Want To Be Alone

Michael Grimm

It's odd I know but please believe me
Yeah you treat me like my heart is made of stone
I don't think you even see me
Girl I feel like I'm a ghost in my own home
And I don't wanna be alone
I don't wanna live without you
I don't wanna be alone
So tell me what can I do

Please don't tell me that you're gone babe
Let me know if there is something I can do
I love you more than you know babe
I want to spend my whole life next to you

And I don't wanna be alone
Oooh I don't wanna live without ya
I don't wanna be alone
So tell me what can I do now

Do do do do do do do do do do

We've been through thick and thin
Had our shares of ins and outs
Tell me if I'm wrong baby
But ain't that what love is all about
Baby please don't leave me like this
I gotta find a way
To make you stay somehow
And I keep begging you
I don't wanna be alone no no
I don't, I don't
I don't want to live without you
I don't want to be alone no
I don't want to be alone no no
I don't, I don't
Oh, so tell me what in the world
I don't want to be alone no
What in the world can I do now
I don't, I don't
Ohh now now
I don't, I don't
I just want to be without cha
I don't want to be alone no
What in the world can I do now
I don't, I don't
I don't wanna be alone oh no no
I don't, I don't
Don't leave me baby
I don't want to be alone no
I don't wanna be...
