

I'd Rather Go Blind

Michael Grimm

Something told me it was over,
When I saw you and him talking
Something deep down in my soul said, cry boy
When I saw you and him out walking
And Oohh, ohhh, I would rather go blind
Than to see you walk away from me
I love you so much, I don't want to see you leave me baby
Most of all I just don't, I just don't wanna be free
I was just, I was just, I was just sittin here thinking
Thinking 'bout your kiss and your warm embrace.
When the reflection in the glass that I had here to my lips baby
Revealed the tears all over my face,
And baby, baby, baby,
I would rather go blind, than to see you, than to see you walk
away from me
Baby, Baby, baby don't you know that I, I would rather go blind
, I don't wanna see you
I don't wanna see you walk away. No no no no....

I was just sittin here thinking
Thinking bout your kiss and your warm embrace
When the reflection and the lights that I had here to my lips
Revealed the tears all over my face
And baby baby baby
I would rather go blind, than to see you, than to see you walk
away from me
Walk away baby baby baby don't you know that I would rather
Rather be blind, I don't want to see you do me this way
I would rather go blind than to see you do me this way.
I would rather be, I would rather be, said I would rather go blind.
