

# Blackmail

Michael Johnson

Came here to see you yesterday  
But the maid said you weren't home  
So I came around today again  
No, no, I didn't want to phone

It's rather a personal thing  
You'll see what I mean  
Your husband might be glad to know  
Your past has not been clean

Blackmail, it's just a simple case of give and take  
And it's blackmail, anyone can make a small mistake  
And it's blackmail, it's just another case of you give and I take

Oh, what a lovely house you have  
It must have cost you quite a sum  
With all your maids, with all your maids  
And household help to get your cleaning done

All you need are some photographs to hang upon the wall  
I have some here for you to see, I'm sure you'll buy them all

Blackmail, it's just a simple case of give and take  
And it's blackmail, anyone can make a small mistake  
And it's blackmail, it's just another case of you give and I take

Sorry for the trouble  
I know you've things to do  
Let's keep it short and sweet  
I'm sure we'll meet again soon

Blackmail, it's just a simple case of give and take  
And it's blackmail, anyone can make a small mistake  
And it's blackmail, it's just another case of you give and I take

Blackmail, blackmail
